MODEL 50M FLEX

50M2FLEXW

MANUAL 18 GA. CLEAT NAILER

DESIGNED BY POWERNAIL®

The Model 50M FLEX is a single-blow manual nailer that does not require an air compressor to operate. Featuring an adjustable foot that allows for the installation of 3/8” (9 mm), 1/2" (13 mm), and 5/8” (16 mm) tongue and groove flooring, as well as some 3/4”, exotic and solid wood flooring. No pads or shims are required and adjusts mechanically from 3/4"(19 mm) down to 3/8” (9 mm).

FEATURES

- Installs 3/4", 5/8", 1/2" and 3/8" (19 mm to 9 mm)
- Uses 18-Gauge Powercleats 1-3/4" to 1" (45 mm to 25 mm)
- Adjustable FLEX Foot with Tri-Glide Technology
- No Pads or Shims
- Includes 3MI Mallet
- One year warranty
