FLOORCRAFTER 200mm BELT SANDER

American SANDERS An AMANO Company

The FloorCrafter upholds a long tradition of providing precision instruments to a craftsman's trade.
The FloorCrafter, engineered to be the most aggressive belt machine in the industry, was also designed to provide reduced vibration.
Its cutting ability allows the hardwood sanding professional the ability to increase production while achieving perfect results.
With the patented Dolly Transport system, the FloorCrafter is truly a unique and innovative approach to hardwood floor sanding.

FEATURES	BENEFITS
1 **4HP CONTINUOUS DUTY MOTOR**	Heavy duty motor provides constant power under load as well as providing enough power for all sanding applications without stalling.
2 **PATENTED DOLLY TRANSPORT SYSTEM**	Allows for safe and easy transport in vehicle.
3 **ON/OFF SWITCH WITH INTERNAL CIRCUIT BREAKER**	Circuit breaker protects valuable motor electronics from power surges and overloads.
4 **CAST ALUMINIUM FRAME AND HOUSINGS**	Heavy duty aluminium provides for many years of service.
5 **FEATHERING CONTROL HANDLE**	Allows greater control on sanding surface.
6 **TOTALLY ENCLOSED DUST FREE MOTOR**	Reducing motor maintenance greatly reduces servicing costs and costly downtime.
7 **200MM (8") SANDING PATH**	Most aggressive sanding path on the market. Sanding and flattening times are greatly reduced.
8 **TRAILING CORD SUPPORT**	Safely eliminates power cord being in the way.
9 **CAN BE FITTED TO DUST EXTRACTION UNITS**	Increased home owner expectations for a dust reduced environment can be easily met.
10 **MACHINED STEEL PULLEYS**	Longer lasting pulleys reduce maintenance costs.
11 **EXPERT DESIGNED**	Designed with easy user maintenance in mind. Readily available parts are easily changed, reducing costly downtime.
