FIDDES HARD WAX OIL

Key Features

Hard Wax Oil is a blend of natural oils and waxes offering exceptional durability and resistance for internal timber surfaces and flooring. It penetrates into the timber enhancing the grain and making it appear warmer and more natural than other coating systems. It is a low maintenance, highly durable, water-resistant finish that won't peel, flake or crack. It's durability and high stain resistance makes it ideal in areas subject to a high degree of wear or exposed to liquids that can normally stain a timber surface.

Key benefits of Fiddes Hard Wax Oil:

- Now available – Dead Matt Ultra Raw
- Clear available in 4 Sheen levels – Matt, Silk, Satin & Gloss
- Pre-Tinted range in 12 colours
- Customisable – Tinted colours can be mixed together or with the clear
- Suitable for all internal timber e.g., floors, kitchen bench tops, furniture, doors & joinery
- Suitable for any porous surface e.g., Concrete, cork, stone etc.
- Quick Drying (4–6 hours in correct conditions – fully cured in 7 days)
- Highly Durable – More durable than buffed in HWO's and no need to add additional hardeners
- Replenishable – if maintained correctly, no need to re-sand before applying maintenance coats
- Easy to Maintain- Simply use Fiddes Wood Floor Cleaner as required
- Suitable for application onto children's toys – EN 71 – Toy Safety Test
- Water Resistant: Tested in accordance with BS 3900 G5
- Resistant to wear: Tested in accordance with BS 3900 EI5
- Slip Resistant rating of R11 out of the tin – no need to add anything
- Easy to use – clear HWO simply rolled on using a short nap roller (see application instructions and YouTube Videos for further details)
- No need for special Maintenance Oils
- Excellent coverage rate – approx. 20 - 24sqm per litre
- Does not react with silicone or putty
- Non yellowing
- Anti-Static
